

The Bali Restaurant: a touristic hot spot and lost gem on the island

(Oranjestad)—Once located in what is now the Renaissance Marina, the Bali Restaurant was once both a touristic and local hot spot, and nowadays it's considered a forgotten gem on the island.

Known as "the floating restaurant", Bali first opened in 1955 by Willem "Bill" Strijland, who had experience in Javanese cuisine. At the time, the restaurant was pretty exclusive—with space to host only 25

guests. Yet, 4 years later, it was named the best restaurant in the Caribbean by the Caribbean Tourist Association. The restaurant was probably most iconic for its Javanese-inspired exterior with its pointy, slanted roofs. However, the first version of Bali did not look like that at all but was still considered as one of the most popular restaurants on the island at the time. The restaurant saw three different owners during its existence, during

which it underwent various renovations and rebranding. In 1964, the restaurant was taken over by Karel "Carl" Schmand. Over the years, the restaurant needed constant renovation and repair, mainly due to its vulnerability to leaks and the unstable pillars underneath the foundation. However, the biggest change made to the restaurant happened in the year 1970—still under the ownership of Schmand, when it got its iconic pointy roofs. The restaurant was

also expanded to host a total of 85 guests. This was "The New Bali", who had its official (re)opening in 1972.

After 1972, when Ronny Schmand took over, the restaurant saw yet another expansion; this time complete with a long bar and dance floor, where guests enjoyed live music from legendary Aruban musician and composer, Toti Arends.

After 1989, the restaurant was again handed over

to other owners, and since then suffered from unstable pillars underneath the foundation, resulting in various leaks and overflowing of water into the restaurant. And as most great things come to an end, so did the survival and maintenance of the Bali Restaurant. However, folks today still reminisce its legacy, and it's now considered a lost monument.
